01 PROFILE

Experienced Web Developer with a strong background in web development, seeking to leverage skills in JavaScript, HTML, and CSS. Currently pursuing a BTech in Information Technology and eager to upskill my development abilities. Passionate about joining a dynamic team to contribute to impactful projects and further enhance my expertise.

02 EMPLOYMENT HISTORY

Jun 2024 — Present

Web Developer at Freelancing

As a Web Developer at Freelancing, I am responsible for creating and maintaining websites using a variety of programming languages and design tools. I collaborate with clients to understand their requirements and deliver high-quality, user-friendly websites that meet their business needs. Additionally, I ensure timely project delivery and effective communication throughout the development process.
